### **BEAUDESERT RANGERS SOCCER CLUB**

#### **POLICY ON FAMILY DISCOUNT**

##### **1.0 PREAMBLE**

This policy outlines the Club's position on eligibility for discounting of registration payments for second and subsequent players from the same family unit.

##### **2.0 APPLICATION**

This policy applies to all Club members.

##### **3.0 ELIGIBILITY FOR DISCOUNT**

**3.1** The Club allows a discount on the registration fee for second and subsequent players from the same family unit, as defined below. As at 2017 season, the 2nd player discount is \$10 and subsequent 3rd or more players receive a \$10 discount, but it may vary over time.

**3.2** The intent of the discount is to provide relief to family units faced with the expense of registering two or more players with the Club.

**3.3** Definition of family unit – Parent, legal custodian, or adult relative has a legal responsibility by blood, marriage, or court order to support or care for the child.

**3.4** Application of Discount - Discounts will be applied to registrations fees in order from most expensive to least expensive only if completed as one transaction.

Example where discount does not apply – If a parent registered one child, then the family discount would not apply.

Example where discount does apply – When a parent wishes to play themselves and also registers two children, then the \$30 discount applies only to the second child. Where a parent does not play, but registers two or more children, then the \$30 discount applies to the second and subsequent children.
